President's Rambling's

Greetings Fellow Woodworkers, We survived another year at the Fair! What an accomplishment after a year of lock down. Thank you to all that helped man the booth and put on the demonstrations. We always hear about how disappointed visitors are at the fair when the don't see us there. Seth and Steve made plenty of jump ropes for the children. John Hunter had help making cars for the toy program and lots of saw dust was made. It was great to have live time member Max at the booth! Any thoughts for next year for the fair? A small band-saw would be a nice new feature and cut out some toys maybe? Does anyone have a scroll saw that they can bring to the fair next time? Jon Robins is having a hard time moving his and it would be nice to have someone different step-up and bringing the power tools. Lots of people showed interest in our club again and it will be interesting to see if some new faces show up at our meetings

Consider scheduling a **shop visit** and get your 2022 dues paid by the club.

Enjoy this weather and Don't let your tools rust!

Your President, Kevin Sturgeon

AUGUST MEETING PROGRAM

At the August meeting Bill Schoech will demonstrate the process for making the bandsaw boxes that he brought to show-and-tell several months ago. He will also show several variations on that design. These boxes can easily and quickly be made with a bandsaw blade as wide as 3/8 inch.
